

## **PEACE**

**Peace, peace, peace!!!**

**I say again peace,**

**Peace for my continent,**

**Peace in my county (country)**

**It is the mother of development**

**In Africa, in countries like**

**Mali, in Cote d'Ivoire, Central**

**African Republic, Somalia**

**I dislike the war,**

**Peace in all social classes,**

**For it I sit down,**

**For war, I stand up,**

**O ! Peace absence of war**

**When there's peace**

**Social harmony, gaiety,**

**People are not afraid,**

**They could go everywhere,**

**If they want,**

**Peace is economic growth,**

**Peace between muslims and**

**Christians in CAR, Nigeria,**

**With peace people are able,**

**To do somethings,**

**I say again peace in the world.**
